

## Job announcement for 2010 undergraduate students

Ethiopian Airlines recruits undergraduate students from all universities within Ethiopia every year to be enrolled in its College Trainee program.

Accordingly, list of 2010 undergraduates has been collected from different universities for this year program.

So candidates are requested to take a look at our website <http://www.ethiopianairlines.com/corporate/careers/result> and check if their name is listed and should strictly read full information before they come for the exam.
